While your pet is boarding at For Pet's Sake they will enjoy two meals a day; one in the early morning and one in the late afternoon. For Pet's Sake offers the following options. The first is utilizing our complimentary diet of Royal Canin Gastrointestinal. The second is to administer your pet's daily diet that you bring from home. Please read what each option entails and decide which works best for you and your pet.

Option 1: Royal Canin Gastrointestinal

Royal Canin Veterinary diet is nutritionally complete and balanced, highly palatable and highly digestible. It meets the requirements for adult maintenance. For these reasons, this complimentary diet is offered to all pets staying in our boarding facility.
